

Jayesh Ranjan, IAS
Principal Secretary to Government
**Information Technology, Electronics
& Communications Department**
Government of Telangana

Dt. 19-9-2022

Sub: Clearance for participation of foreign Nationals in the Second United Nations World Geospatial information Congress (UNWGIC) scheduled from 10-14 October 2022 at Hyderabad

Ref: Letter from Secretary, Ministry of Science and Technology, D.O. No.: NRDMS/UNGGIM-part-II/01/2022

The Government of Telangana is glad to note that the Second United Nations World Geospatial information Congress (UNWGIC) will be conducted in Hyderabad at Hyderabad International Convention Centre (HICC) during the period of October 10-14, 2022, hosted by the Department of Science and Technology, Govt of India and with International Institute of Information Technology Hyderabad (IIITH) as the local organiser of the event.

Government of Telangana has been at the forefront in successfully using Geospatial Information Technology for decision-making and governance in various sectors and departments of the State Government and has been home to some of the key National and International organisations across Academia, Government and Industry. So, the Government welcomes the conduct of this event at Hyderabad.

The Government of Telangana would be happy to offer the required support and will issue all necessary permissions for the smooth conduct of this event.

Yours sincerely,

(Jayesh Ranjan)

To
UNWGIC 2022 Local Organising Committee,
